## ABOUT US

**MARCOS** - Wonderful Part Of Your Home" was founded in 2015 at Thangadh, Gujarat, Which is one of the most prominent ceramic manufacturing hub in India. With the help of a very experienced team and excellent leadership, We manufacture more than million units per year. This includes wide range of Sanitary Ware items of all the types.

At macros, Ceramic products are manufactured with innovative and future design trends. We are leading the consumer Market because of our Eco-Friendly production practices, Finest quality Of materials and innovative manufacturing which yields Unparalleled Collection Of Sanitary ware and ceramics products.

At current market we are operational in 20 countries and 25 states in India with dealers and a distribution network of more than 450+ entities.

We are working with our Moto " best design with better product quality in affordable price to touch everyone's lives"

## WATER SAVING

Our WCs have a special bowl structure and are specifically designed to flush with both lower (2.5/4 litre) and typical (3/6 litre) water volumes.

By using less water, these water saving WCs benefit you and the environment. Our standard height wall-hung frames come with dual flush function as standard in both 2.5/4 litre and 3/6 litre options.

## SPACE SAVING

A wall-hung WC takes up less room than a conventional WC, and the concealed installation offers flexibility in confined spaces. The range of compact WCs have shorter projection, saving even more space.

## CHARACTERISTICS

All seats and covers are subjected to a weight test.

All seats and covers are subjected to an open/close test.

Soft Close Seats & Covers  
Soft Closing and silent  
Special technology

Anti Bacterial Glazed

## RIM-LESS TECHNOLOGY

Offering effortless cleaning and innovative, hygienic design. Our rimless WC pan eliminates the areas where germs gather and multiply, giving a superior level of hygiene.

## WASHBASIN FORMS

Washbasins can be used with a pedestal as well as being wall-hung. Basins suitable for use with a counter top can be fitted in three alternative ways:

## FISCHER

A simple, elegant installation system for use with wall-hung WCs. The fixings are hidden from sight by the use of internal ABS sleeves, creating a clean, smooth design.

## FLUSH TECHNOLOGY

### Tornado

Tornado flush system features two powerful nozzle that will create a cyclonic rinsing action. It will reduce waste buildup & keeps the bowl neat and clean. This high-efficiency mechanism is more effective in one flush that most toilets are with multiple flushes.

### Siphonic

The siphonic flush system is also known as the suction flushing system. The siphonic flush system creates the narrow 'Q' shaped trap way. You'll have a clear bowl with a lower chance of skid marks. With the use of advanced technology in flushing

### Siphonic with Tornado

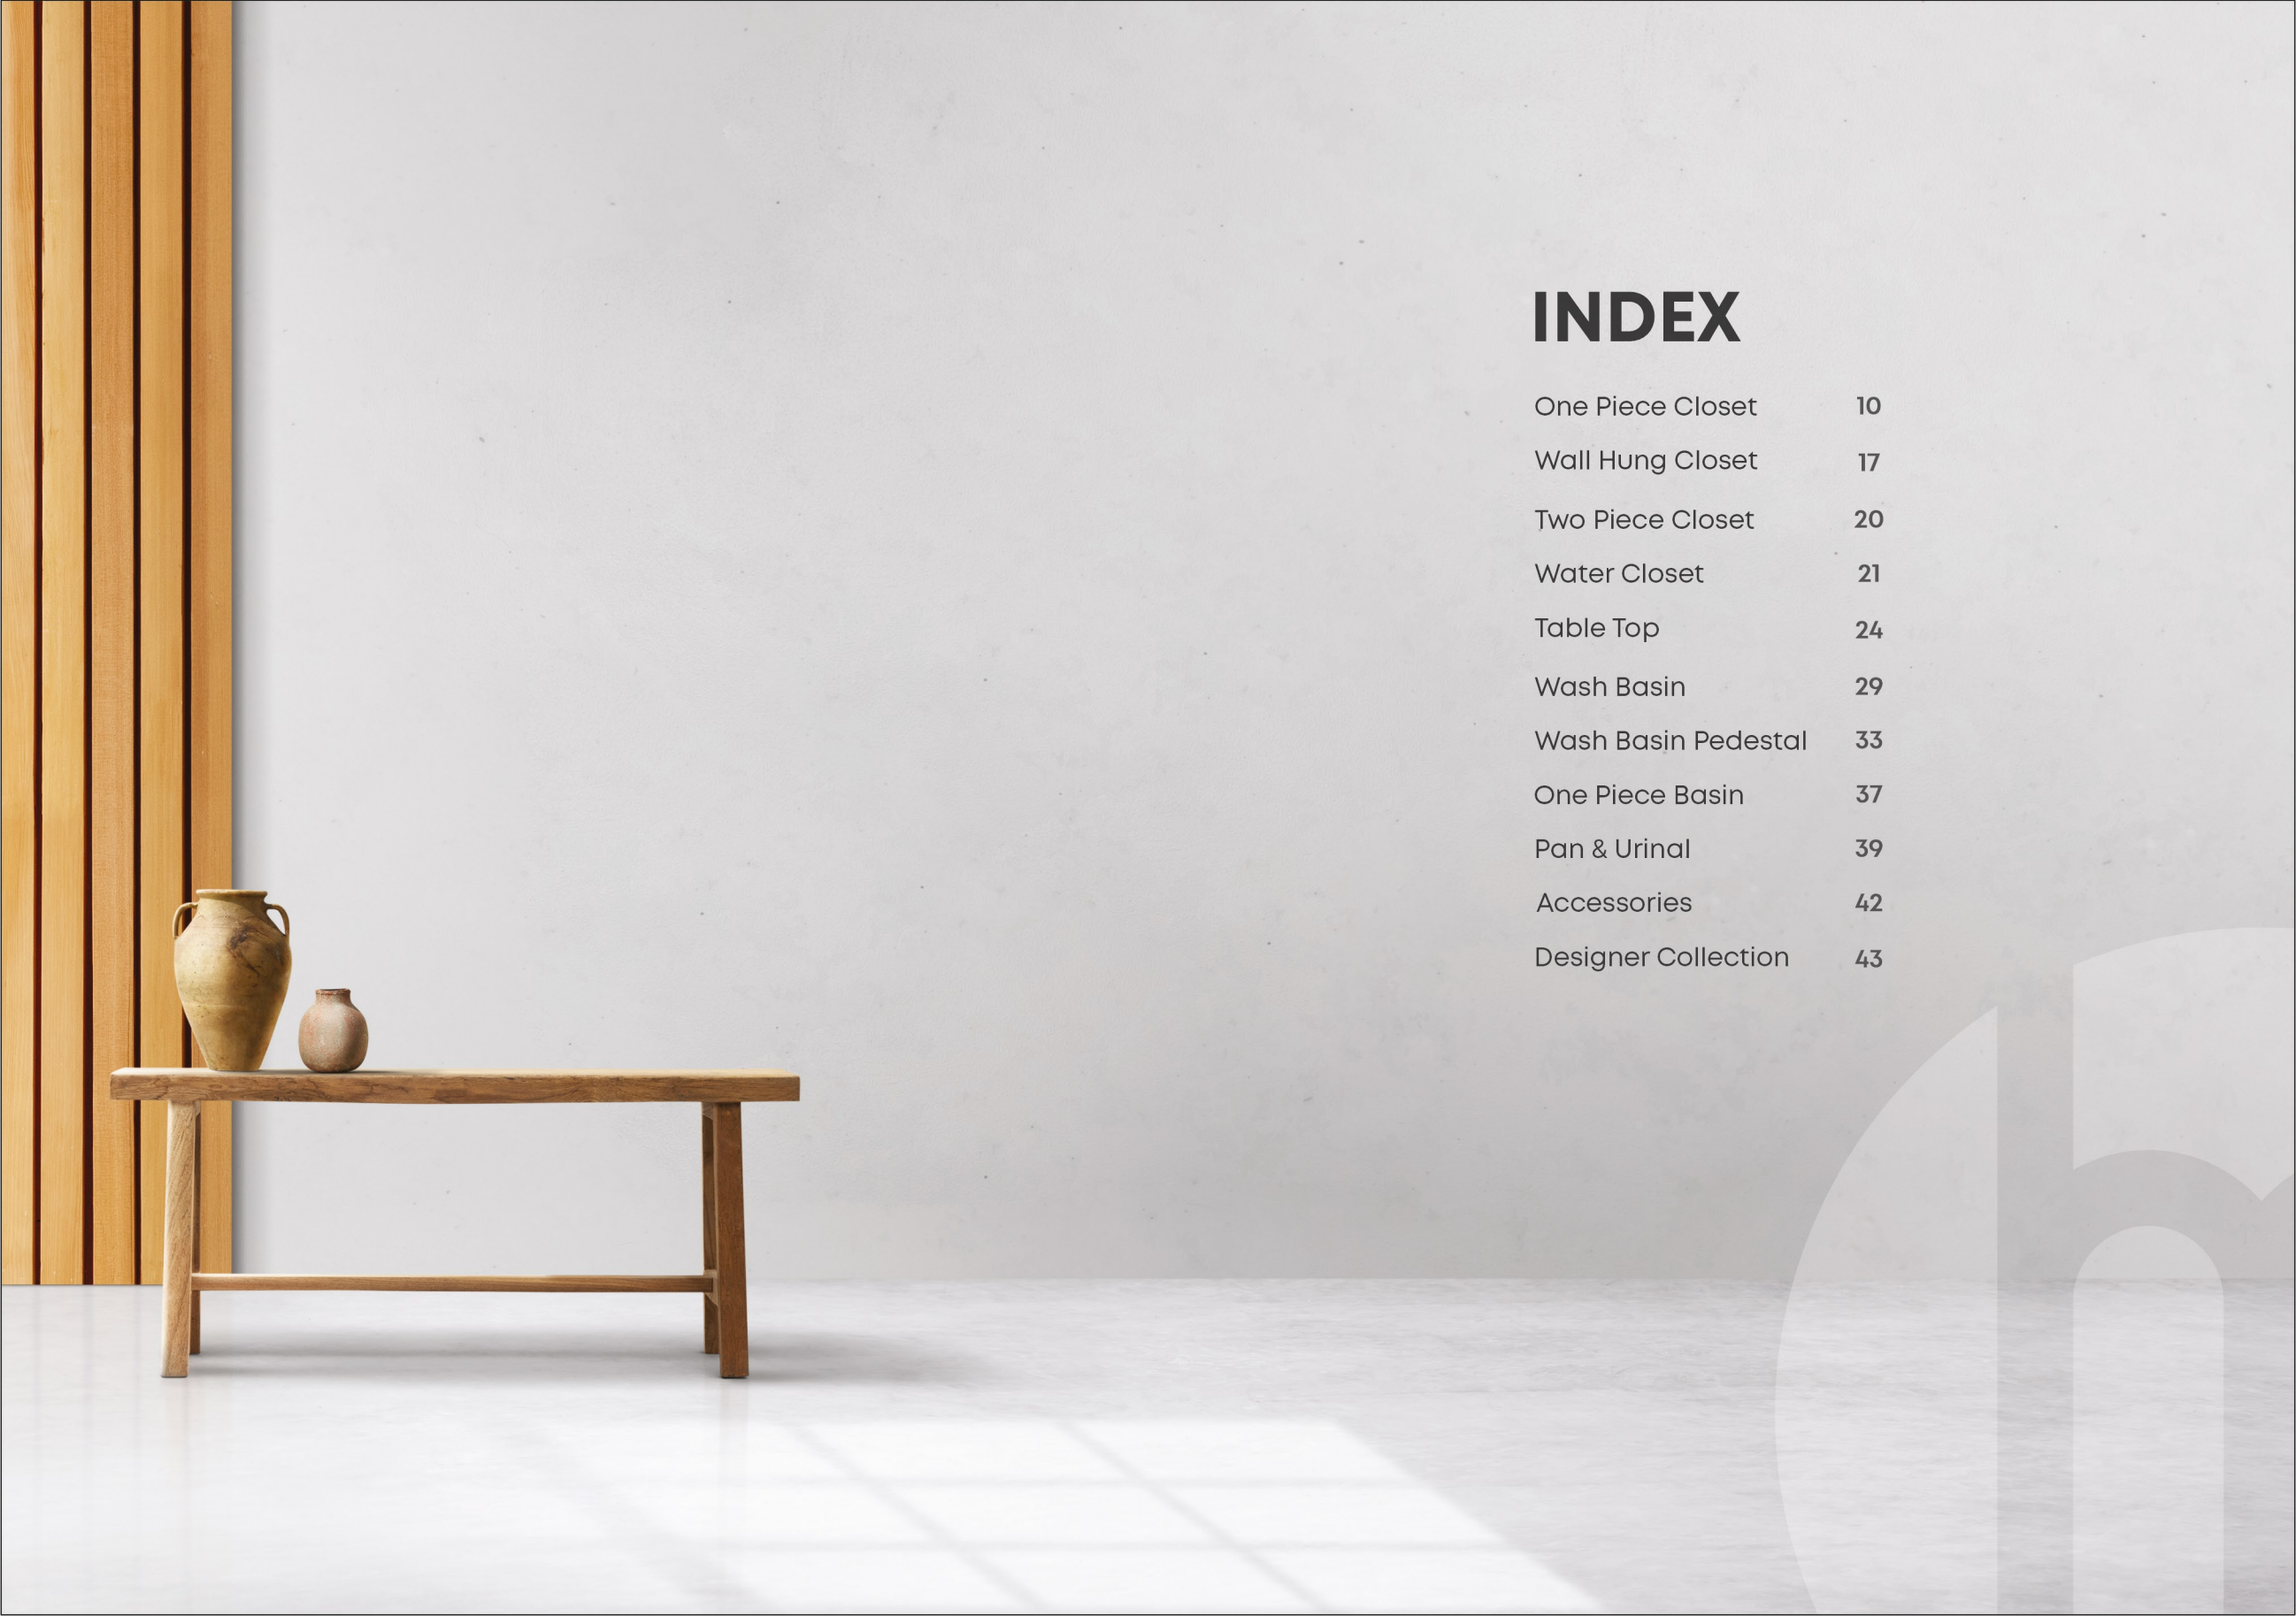

The combination of siphonic & tornado will bring the highest quality of hygiene into your bathrooms. With the help of this advanced & one of the easiest to maintain flushing systems, it'll be easier to keep up with cleanliness in just a second. We introduce you to brand new features 4D & 5D flushing system.

### Wash Down

The way wash down flushing works is very simple. It will use the weight and gravitational flow of water from a toilet bowl. It will save your water effectively as it includes dual flushing.
